ARTICLE XXIV - ASSIGNMENTS AND TRANSFERS

SECTION 1 - IN-BUILDING ASSIGNMENTS

Employees in a building are encouraged to identify to the principal their interest, experience, and training for assignments that may arise within the building. A form will be available for the staff to use for this purpose. When the need or opportunity to modify assignment(s) within a building occurs, the principal will make the potentially open assignment(s) known to the building staff if the positions are identified during the school year. The principal will take the expressed interest, training, and experience of employees into consideration before making assignments. The principal will be able to reassign building personnel without having to post the assignment, but will make the position(s) known to building staff if the position(s) is identified during the school year. Building assignments will not be made in an arbitrary or capricious manner. This procedure also applies to programs scattered across several work sites.

SECTION 2 - VACANCIES

A. Definition: A vacancy exists when a person must be hired to fill a position. A vacancy does not exist when the closure of buildings, offerings, or sections, or District reorganization necessitate the partial or complete reassignment of an employee.

B. Posting: A Notice of Position Vacancy shall be developed for filling all positions except when the position is filled by:

1. an in-building reassignment,
2. an involuntary transfer,
3. the reassignment of an administrator (not to exceed two annually and not to be used at a time when layoff of SEA represented personnel occurs), or
4. arbitration award or court order (or influence thereof).

C. Notice of Position Vacancy: The Notice of Position Vacancy shall:

1. Contain a description of the responsibilities, qualifications, and terms of employment associated with the position. If the vacancy is posted as part of a notice that involves multiple positions, the district agrees to forward to the employee, upon request, a copy of the position description containing such information.
2. Describe the application procedures.
3. Be distributed to the Association and each program location to which certificated employees are routinely assigned where these notices will be promptly placed in an identified location.
4. Be available from the personnel department upon request during the summer months.
5. Provide for at least a ten (10) day period of time between the distribution and closing date for application for the position, unless the position became vacant due to termination of service or transfer on or after August 15. In such instances, the ten (10) day posting requirement may be adjusted.

SECTION 3 - TRANSFERS

A. Transfer Requests - -

1. Employees serving under continuing contract can seek a transfer by either:
 - a. Submitting a timely Transfer Request Form, or
 - b. Presenting a letter of application for a specific position before the closing date established on the Notice of Position Vacancy.

2. Each year after January 1, the personnel department will place a notice in the Staff Reporter reminding staff members desiring a transfer for the following school year that they should submit a transfer request form, which shall be kept on file by the District. Transfer requests must be forwarded to the personnel department during the month of February.

3. The personnel department will provide a form that will allow the transfer request to be completed in triplicate. One (1) copy is to be kept by the employee, one (1) copy is to be given to the employee's immediate supervisor, and one (1) is to be forwarded directly to the personnel department. The employee will receive acknowledgement from the personnel department within ten (10) days of receipt.

B. Lateral Transfers

1. A lateral transfer exists when a regularly contracted employee submits a timely transfer request or submits a specific letter of application during the posting period to transfer to a position in another building:

a. which represents the same or lesser FTE contract.

b. which is posted before August 15 and

(1) for junior high and senior high employees is at the same organizational level and represents the same majority assignment, or

(2) for the elementary employees is no more than one grade level higher or lower than the grade level (K-6) in which the employee has two or more consecutive years of experience, or

(3) for elementary employees not assigned to a regular classroom (Special Education teacher, Apple teacher, gifted teacher, librarian, elementary counselor) is the same assignment as that which they currently hold, or

(4) for Specialists is the same specialty,

c. and for which the employee's transcripts evidence the minimum specific academic requirements as specified in the position description for the assignment being sought.

2. The lateral transfer applicant will be ensured of transfer to a posted position vacancy, provided that:

a. that posted position vacancy is ultimately filled,

b. the employee submitted either a timely and specific transfer request for the position or a letter of application for the specific position before the Notice of Position Vacancy closing date,

c. the employee has at least four uninterrupted years in his/her building and either:

(1) for elementary classroom teachers, at least the last two consecutive years at current grade level or one grade level higher or lower, or

(2) for elementary employees other than classroom teachers, at least the last two years in the same assignment, or

(3) for junior and senior high employees, at least the last two consecutive years in current majority assignment,

(4) for Specialists is the same specialty,

d. affirmative action or comparability considerations are not present,

e. the position is not filled by involuntary transfer or voluntary special need transfer,

f. the employee does not have current performance deficiencies in any of the eight evaluative criteria,

g. the employee possesses the required certification/endorsement,

h. the considered supervisory relationship would not pose a problem under WAC 162-16-150, and

i. the position is not one of eight which the District can annually fill which are specifically dependent upon curricular and concurrently posted coaching assignments at a given site(s).

3. Should two or more lateral transfer candidates be under consideration for the same vacancy, the position will be awarded to the employee with the greatest layoff and recall seniority.

C. In instances wherein an SEA-represented employee voluntarily seeks transfer to or applies for a vacant position and wherein the superintendent or designee deems that facilitating this placement is appropriate, and the SEA President agrees that a transfer is appropriate, (placement to be determined by the District) the employee may be transferred without posting and/or

application or consideration of other portions of Article XXIV. Such transfer shall be called a Voluntary Special Need Transfer.

D. Non-lateral Transfer/Hiring Priorities

1. District employees are encouraged to apply for positions for which they are interested and judge themselves to meet the position description qualifications. In filling positions wherein in-building/program reassignment, lateral transfers, involuntary transfers, and or voluntary special needs transfers are not involved, all applicants' qualifications will be judged on the basis of merit as evidenced via the personnel selection process. Determination of these qualifications shall be solely the responsibility of the district.

- Priority 1: Lateral transfer candidates who have not met the criteria in terms of length of assignment.
- Priority 2: Non-lateral transfer candidates are defined as current continuing contract employees serving in other positions in the District including part-time employees seeking full-time positions who have applied or submitted a timely transfer request.
- Priority 3: Employees currently serving on one-year contracts.
- Priority 4: Substitutes.
- Priority 5: Candidates other than those listed above.

2. For priorities 1, 2 and 3 above those employees who have current performance deficiencies in any of the eight evaluative categories of the professional appraisal may not be considered.

3. Where affirmative action or comparability considerations are not present, the District will select the candidate from the higher priority grouping when the higher priority grouping candidate evidences superior or equal qualifications to those candidates from lower priority groupings via the personnel selection process. Up to five (5) current employees who have transfer requests on file will be interviewed if they are well-qualified in comparison with the field of all applicants.

4. The aforementioned priorities will not be applicable for positions that are posted after August 15 or thereafter during the school year for vacancies with an effective assignment date prior to the closure of the school year.

After this date, all employees seeking a vacant position will be considered, but such consideration will include the needs associated with maintenance of the employee's current assignment.

5. A represented employee who does not receive an assignment to a specific vacancy posted before August 15 for which the employee had submitted a timely transfer request of a specific letter of application during the posting period will, upon request of the employee, be informed of the reasons why he/she did not receive the assignment.

SECTION 4 - PROGRAM NEEDS POSITIONS

Up to ten (10) positions per year may be filled by the District irrespective of hiring priorities and all transfer provisions other than lateral. These positions will be posted but may not be site-specific. These positions are to enable the District to meet special program needs, such as areas of teacher shortage, and affirmative action goals.

SECTION 5 - INVOLUNTARY TRANSFERS

A. Should it become necessary to reassign a person from a building, the District shall take into consideration the needs and desires of the employee, recognizing that the District must first satisfy curricular needs and Chapter 1 comparability requirements. Extracurricular program needs will also be considered.

B. If there is a volunteer(s) from an affected building who meets the District's curricular and Chapter 1 comparability requirements and whose transfer would eliminate the need for an involuntary transfer with extracurricular needs being considered, no involuntary transfer(s) will be implemented.

C. Involuntary transfers shall be by reverse seniority (as determined by the Layoff and Recall criteria) from current majority assignment and/or first priority assignment. The employee with the least seniority in the majority assignment in the secondary school department(s), specialist assignment, K-3, or 4-6 grade levels being reduced in the affected building meeting the District's curricular program and Chapter 1 comparability requirements, with extracurricular needs being considered, will be involuntarily transferred. Grade three/four combination classroom teachers shall be considered in the K-3 category. No employee will be involuntarily transferred more than two consecutive years unless the program(s) is moved.

D. In the event that more than one (1) individual employee having the reverse seniority ranking is qualified for the position, employees will be ranked in accordance with the number of educational credits on file in the personnel office for salary purposes beyond the B.A. degree from least to greatest. The

employee with the least number of credits will be assigned to the vacant position.

E. In the event that more than one (1) individual employee having the same least number of credits on file in the personnel office (at the time of the printing of the final layoff/recall list) for salary purposes beyond the B.A. degree is qualified for the position, all employees so affected shall participate in a drawing, by lot, to determine who shall be assigned to the vacant position.

F. The employee will be notified of the transfer as soon as the need for transfer is established. The District will offer to counsel with the affected employee regarding the rationale for the transfer.

G. The employee will be provided with a Transfer Request form, which the employee should complete and forward to the personnel department within five (5) days of receipt.

H. Upon receipt of the Transfer Request, the personnel department shall notify the employee of his/her transfer as soon as the assignment associated with the transfer is established. If such an assignment is not representative of the employee request, the personnel department will continue to provide the employee first consideration for other potential vacancies arising before the initiation of service.

SECTION 6 - RELATED PROVISIONS

A. When assignments which are comparable to the assignment from which the employee was involuntarily transferred become available, the involuntarily transferred employee(s), in order of seniority, will be offered reassignment which will normally occur on a quarterly basis.

B. No position from which employees have been involuntarily transferred after May 1, 1985, will be declared vacant unless all such involuntarily transferred employees have declined the assignment.

C. Employees involuntarily transferred to a different category have the right to select, at the time all employees are provided with their layoff/recall options, their previous category or their current year category for RIF application.

D. Employees who have been involuntarily reassigned to a majority assignment in which they have not previously taught or in which they do not possess an undergraduate minor or its equivalent issued within the last five (5) years, will not be nonrenewed for performance deficiencies primarily related to subject matter, professional preparation, and scholarship during the first (1st) year of their involuntary assignment. Upon request, involuntarily transferred employees will be provided

with the necessary help and assistance normally provided employees per section 3.F.5 of the Certificated Staff Evaluation clause of this Agreement.

E. The District will provide the necessary assistance to involuntarily transferred employees in moving supplies, materials, etc., between buildings. Additionally, employees involuntarily transferred during the school year will receive time and assistance in completing the move. Employees involuntarily transferred as a result of program moves will receive compensation, time, and assistance.

F. All procedural aspects of Article XXIV shall be subject to Article LI of the Collective Bargaining Agreement. Substantive quality determinations of prospective candidates are to be determined by the District and shall not be subject to the grievance procedure.

G. Extracurricular positions need not be posted if the employee is continuing in the same position. In other circumstances, the position shall be posted unless the vacancy arises during the season, or if postings have already generated an adequate pool of candidates, or as a result of an emergency such as untimely separation. In filling posted extracurricular vacancies the district will:

1. take into consideration the building or program needs,
2. screen all employees who submit a timely application letter, and
3. determine applicants to be interviewed based on the comparative qualifications of each.

H. The District will make every effort to make building assignments for specialists close together.

I. Except as expressly stated in Article XXIV, Section 3, paragraph D, the provisions of Article XXIV shall not be applicable to substitutes.

ARTICLE XXV - POSITION SHARING

SECTION 1. Position sharing is a procedure whereby two employees other than substitutes share a position. Employees desiring to share a position must submit such request to the superintendent, or designee, no later than May 1 of each school year. The District shall determine, in a timely manner, whether or not to honor the request. It is the intent of the parties to conscientiously work towards solving problems of position sharing. Reasons for denial will be given upon request.

SECTION 2. Prior to entry into the position share, employees and supervisors will develop, in writing, an agreement on such issues

as prep time, conferencing, and reporting responsibilities, early release days, attendance at required meetings, coverage of class during one teacher's absence and arrangements which shall insure intra-team communication necessary to support the total program.

SECTION 3. If the position sharing dissolves because one of the employees moves to a full-time position, or resigns, goes on a leave of absence, etc., the District may, at its discretion, either transfer the remaining employee or assign the remaining employee into the position on a full time basis.

SECTION 4. The two employees will work with the building principal/program supervisor to establish the working relationship between the parties involved within the following parameters:

1. Only two employees may share a position.
2. Each employee will be issued a standard contract with a salary proportionately based on his/her salary schedule position for the amount of time to be shared (i.e., half-time = half salary).
3. Each employee will receive his/her proportional fringe benefit amount.
4. The employees may substitute for each other at the normal substitute pay rate, or by changing the work-hour pattern with the principal/supervisor's approval.
5. Seniority will accrue according to the length of the employee's contract (i.e., half-time = one-half year seniority).
6. Employees will advance on the salary schedule the same as any other part-time employee.
7. Employees may establish their work schedule with approval of their principal/supervisor.
8. Entering into a position-sharing relationship does not waive any legal rights under Washington code or contract rights under this Agreement.
9. Requests to move back into a full-time job will be made under the assignment/transfer procedure contained in this Agreement.
10. Employees wishing to continue sharing a position should so inform the District by May 1.

ARTICLE XXVI - MONTESSORI

SECTION 1. Consideration of transfer requests from employees in the Montessori program will be contingent upon the District finding a satisfactory replacement for the employee(s).

SECTION 2. Leaves of absence under Sections 5-12 will be contingent upon the District finding a satisfactory replacement for the employee(s) in the Montessori program.

SECTION 3. In the event that the K-6 preparation time provision becomes unworkable, a modification mutually agreeable to the District, the SEA, and the employee(s) will be made.

ARTICLE XXVII - SACRED HEART

In the event that the preparation time provision becomes unworkable, a modification mutually agreeable to the District, the SEA, and the employee(s) will be made.

ARTICLE XXVIII - LEAVES OF ABSENCE

SECTION 1.

A. Except for short-term substitutes, an employee finding it necessary to be absent from work under one (1) of the following procedures should give ample notice to his/her supervisor or principal so that arrangements can be made to care for that employee's responsibility. Such absence should be approved in advance and deduction may be made in pay as determined under the appropriate provision. Ample notice would allow for an employee's meeting with an immediate accident or occurrence that would not allow prior notice being given to his/her principal or supervisor.

B. If the absence is not provided for under one (1) of these provisions, it may be granted as long as it is approved by the Personnel Office in advance and appropriate deduction as determined by the Personnel Office is made for the absence.

C. Notice of return to work must be made in time to give adequate notice to the employee's replacement.

D. With the exception of those requests to be made under "Temporary Absence" and "Absences for Educational Meetings and Community Service," each request shall be considered by the employee's building principal or division leader acting as the representative of the Superintendent before being submitted to the Personnel Office.

SECTION 2 - LEAVE DAYS

A. F.T.E. employees will be allowed sick, injury, and emergency leave at the rate of twelve (12) days per school year.

B. Such leave shall be cumulative from year to year to a maximum of 180 days.

C. Sick leave shall be administered per RCW 28A.58.

D. A continuing employee will be entitled to the yearly allowable number of such leave days on the day he/she is scheduled to report to work in the new school year; provided that

the yearly allowable number of leave days will be prorated for all leaves to participate in public service, miscellaneous leaves, and sabbatical leaves extending for twenty-one (21) days or more. Employees who use, and are paid for, the yearly allowable sick leave days, but who do not report to work during the school year, will reimburse the District for any sick leave pay given.

E. If the contract is terminated during the year for other than health reasons, the days allowed for the current year will be adjusted pro rata to those days used but not earned. A person commencing employment during the school year will be granted leave days on a pro rata basis.

SECTION 3 - SICK, INJURY, EMERGENCY, AND MATERNITY LEAVE

A. Sick and Injury Leave

1. Sick leave is defined as days of absence from duty because of personal sickness or injury, and for which no deduction is made in compensation of the employee, provided the employee has compensated leave balance.

2. At any time a doctor's written statement attesting to the illness or injury necessitating the employee's absence may be required by the Personnel Office.

3. When the employee qualifies for sick and injury leave but has exhausted his/her accumulated leave bank, the employee may be absent on an unpaid sick/injury leave. The District has the right to require an examination by a mutually agreed to physician. A contract will not be issued for the ensuing year unless the Employee has provided the District with a well-defined physician's statement which provides the District with a reasonable assurance that the Employee's physical/mental status is such that the Employee will be able to fulfill his/her contractual obligation. The District has the right to deny continued absence on unpaid sick leave.

4. Employees absent because of sick, injury, and emergency leave may not serve in other forms of gainful employment beyond the gainful employment that had been a regular part of the employee's work week prior to the sick, injury, and emergency absence. To do so may constitute a breach of contract.

B. Emergency Leave

1. Emergency leave is intended for problems for which preplanning is either not possible or could not relieve the necessity for the employee's absence. Such emergency leave may be up to an including twelve days per year, without

deduction in salary, as long as it is covered under the allowed leave days (Leave Days Section 2, A).

2. The Employee shall explain the purpose of the leave. Emergency leave shall be allowed for critical illness or injury in the employee's immediate family. Critical illness or injury in the employee's immediate family includes surgical operations and in-hospital emergency treatment and presupposes a doctor's attendance. Common illnesses and medical appointments of children and relatives may be covered under this provision.

3. If an emergency leave request is based on a need for a court appearance, a copy of the summons or subpoena must accompany the request. Emergency leave, including special leave, will not be allowed to employees when such leave requested is based on Association and/or class action grievances and/or other legal action against the District. When an individual employee brings legal action, including grievance hearings, against the District, emergency leave may be granted to the individual, if such relief is awarded by the hearing body.

C. Maternity Leave

1. Absences for reasons of maternity shall be granted according to the guidelines of the Washington State Human Rights Commission. As the guidelines of the Washington State Human Rights Commission change, the administrative procedures will be revised accordingly.

2. An employee shall notify the Director of Personnel in writing of the expected date of birth of the child at least three (3) months before the date.

3. Upon request an employee shall be granted a leave of absence from her position prior to the birth of the child, the exact date to be determined between the employee and the administration. Such leave, if not supported by a physician's statement, will be without pay and, if for an extended period (over twenty (20) days), will cause a proration of the annual sick leave accrual. In instances where an employee is not under a physician's care because of a bona fide religious reason(s), the normal sixty (60) day maximum maternity leave benefit will apply. The procedure governing leave of absence for personal disability relating to pregnancy will apply as follows:

a. An employee shall receive accumulated sick leave for the period of actual disability caused by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom provided the employee works up to the day her physician indicates as the beginning of her disability.

b. Sick leave will terminate following birth of her child or the date her physician indicates she can perform her school responsibilities.

c. If sick leave is exhausted during the period of physical disability, the employee will automatically be placed on a sick and injury leave without pay for the duration of the period.

d. A long-term substitute may be placed in the employee's position during the period of absence.

4. Return - An employee shall, within thirty (30) calendar days following the birth of her child, notify the District of the specific day she will return to work, which shall be not later than sixty (60) calendar days following the birth of the child, provided she has release from her physician. Because of circumstances relating to the timing of holidays, vacation periods, and the change of semesters, the administration and the employee may agree to deviations.

E. Adoption - an employee shall notify the Director of Personnel as soon as the employee is notified of the adoptive date. The Employee shall have the use of twelve days of Emergency Leave per year for settling an adopted child into the family.

SECTION 4 - BEREAVEMENT LEAVE

A. Each absence because of a death in the employee's immediate family shall be allowed with pay for a period of up to five (5) days. (Immediate family is defined as parent, parent-in-law, brother, sister, husband, wife, son, daughter, or person with whom one has had association equivalent to these family ties.)

B. Each absence because of a death of a near-relative in the employee's family shall be allowed for a period of up to two (2) days. (Near-relative is defined as nephew, niece, aunt, uncle, cousin, brother-in-law, sister-in-law, daughter-in-law, son-in-law, or grandparents.)

C. Leaves in excess of the periods above may be applied for under the emergency leave provision.

SECTION 5 - EDUCATIONAL AND COMMUNITY SERVICE LEAVE

A. All certificated employees shall be given consideration for travel to subject area, association, curriculum, and improvement of instruction meeting. If mutually agreed, the employee may attend such a meeting and reimburse the cost of the substitute. If a request to attend a meeting is denied, the employee will be excused upon request, at a full deduction of salary, provided substitute arrangements can be made.

B. Educational Meetings

1. An employee representing the District may be excused by his/her principal or supervisor to attend an educational meeting in Spokane County without submitting a request to the Superintendent provided, in the judgment of the principal, his/her duties can be properly covered to the satisfaction of all concerned and at no additional cost to the District.
2. Upon approval of the Superintendent or designee, employees representing the School District will be excused with travel and expenses related to the absence paid by the District.
3. Upon approval of the Superintendent or designee, employees representing subject matter and other special professional organizations will be excused without reimbursement for travel and expenses related to the absence. Such activities are normally expected to be held on curriculum days.
4. Employees requesting to attend meetings for educational and professional growth under conditions not covered under subsection B.3 above will be allowed to attend such meetings provided that a qualified substitute is available and timely notification is provided to the District. Such attendance will be with a full deduction of salary.

C. Community Service

1. Contract employees representing a school-related organization in the community in a leadership role without pay will be excused upon the approval of the Superintendent or designee without expense to the District. A substitute will be provided at District expense.
2. Employees representing a community organization in a leadership role without pay will be excused upon the approval of the Superintendent or designee without expense to the District, but with the substitute cost being provided by the employee or the organization represented.
3. Employees who serve as paid officials in extracurricular activities may be excused without expense to the District but with full deduction of salaries for time missed. Employees may be excused to officiate at WIAA tournaments without cost to the District.
4. The total of all sums to be expended by the District for travel and necessary expenses excluding substitutes related to authorized meetings shall be listed in appropriate categories within the budget.

D. In items B.2., through C.3., an application for absence should be submitted for consideration by the appropriate administrators before being transmitted to the Superintendent or designee ten (10) days prior to the regular Board meeting preceding the time of absence.

SECTION 6 - SPECIAL LEAVE

A. Two Special leave days may be taken for which no reason need be given. The request for leave must be made by the end of the prior regularly scheduled workday. The Employee is not required to state the reasons for the request to take such leave days. These leave days are separate from sick and emergency leave days. These days do not accumulate from year to year. Employees who elect to not utilize these days will receive an amount equal to the cost of a substitute for that Employee.

B. In the event that the District is not able to staff the program with qualified replacements, the above language will be renegotiated to successor language. Special leaves would continue to be separate from sick and emergency leave.

SECTION 7 - TEMPORARY ABSENCE

F. Evaluators shall, in all observations/evaluations, take into account the individual differences of students assigned to the employee.

G. The parties recognize that teaching strategies and techniques vary; therefore, evaluators will not base their evaluation solely on one technique or strategy.

H. Evaluators will take into consideration the availability of supplies, materials, custodial, and/or maintenance services, etc.

I. Employees involuntarily reassigned to a majority assignment in which they have not previously taught or in which they do not possess an undergraduate minor or its equivalent issued within the last five (5) years will not be nonrenewed for performance deficiencies primarily related to subject matter, professional preparation, and scholarship during the first year of their involuntary assignment.

J. The parties agree to adopt the philosophy that there will be no surprises on the performance evaluation report. Evaluators will accurately inform employees of their progress during the evaluation process.

1. Within the school, the principal or administrative/supervisory designee shall be responsible for the evaluation of employees assigned to that school.
2. Employees may have up to two contributing evaluators.

4. The employee will be told by October 15, or 30 days after employment, who his/her evaluator and contributing evaluator(s), if any, will be. In the event there is a need for a change of evaluators, the employee shall be notified in a timely manner.

B. Assistance in evaluation:

1. Central and regional support staff may, at the direction of their principal, assist in the observation and evaluation of travelling and nonclassroom certificated employees.

2. Senior high department heads may, at the direction of the principal, assist in the observation and evaluation of classroom employees in their departments.

3. In the event there are negative comments on any observation or evaluation report, the employee has the right to request assistance and observation by a person of his/her own choosing. Such assistance, if approved, shall be solely for the purpose of aiding the employee with developing a specific instructional or classroom management approach. An individual providing such assistance shall not participate in any fashion in the formal evaluative process unless the District and the employee agree in writing to such involvement.

4. An evaluator may request District-designated improvement of instruction personnel to assist in observations and evaluations.

C. Evaluation criteria: All employees shall be evaluated in accordance with the appropriate criteria set forth in the evaluation forms attached to this Agreement as Addenda A, B, C, D, and E, which addenda are hereby made a part of this Agreement.

D. Required evaluations: The District will adopt the standard of one evaluation report per regular employee per year to be completed by June 1, with additional evaluation reports as listed below:

1. All employees newly hired by the District shall be evaluated at the time of the transfer.

2. Employees transferred during the school year will be evaluated at the time of the transfer.

3. If an employee resigns during the school year, a final evaluation shall be completed prior to the resignation date if adequate notice is given and the employee has worked at least 90 days.

4. If an employee demonstrates performance deficiencies, an additional evaluation report can be completed. This clause does not pertain to the probationary process.

5. Any employee may request more than one evaluation per year.

E. The following minimum observation criteria will be met before an evaluation report can be completed:

1. A minimum of one observation for a total of 30 continuous minutes shall be required for the evaluation of new employees under 3.D.1 herein.

2. Each regular employee shall be observed at least twice in the performance of his/her assigned duties.

3. Total observation time will be at least 60 minutes per year.

4. A minimum of one observation for 30 continuous minutes will be scheduled with the employee as an announced observation.

5. Other observations may be unannounced, but the District agrees that the number of unannounced observations will not be excessive and will follow the building norm except in unusual circumstances; i.e., if an employee either evidences performance deficiencies that may lead to probation or is on probation.

6. When an administrator observes an employee, he/she will inform the employee whether or not he/she is in the room for evaluation observation purposes as soon as appropriate after entering the room.

7. Written feedback for evaluation observation purposes will be given to the employee in a timely manner.

8. Either the employee or the observer can request a conference concerning the observation.

F. Evaluation procedures:

1. Upon completion of an evaluation by the evaluator, the employee shall be provided with a copy of the evaluation report.

2. The employee shall sign the School District's copy of the evaluation report to indicate that he/she has received a copy of the report. The signature of the employee does not, however, necessarily imply that the employee agrees with the contents of the evaluation report.

3. The employee shall have the right to attach any comments to the evaluation report. This may be done at the time the employee receives a copy and prior to the report being forwarded to the District Personnel Office; or they may be forwarded to the Personnel Office within seven (7) school days following the evaluation conference.

4. Following completion of each evaluation report required under paragraph 3.D herein, a meeting shall be held between the evaluator and the employee to discuss the report, unless when signing the evaluation report the employee indicates no desire for such a meeting.

5. In the event any final evaluation report indicates the employee has been rated "unsatisfactory" in one (1) or more of the evaluation criteria, the evaluator and the employee shall attempt to develop a mutually agreeable written plan designed to improve the employee's effectiveness in the deficient area(s). In connection with the development of such plan, consideration should be given to utilizing the services of available resource persons (e.g., coordinator, department head, psychologist, fellow teacher) to observe the employee's performance and make recommendation for improvement. If the evaluator and employee are unable to agree upon a mutually acceptable plan, the evaluator will prepare and deliver a plan to the employee.

G. Probation:

1. In the event an evaluator determines on the basis of the evaluation criteria that the performance of an employee, other than a provisional employee, under his/her supervision is unsatisfactory, the evaluator shall report the same in writing to the Superintendent on or before January 20. The report shall include the following:

- a. The evaluation report completed on or before January 15;
- b. a recommended specific program designed to assist the employee in improving his/her performance; and
- c. any written comments by the employee.

2. If the Superintendent concurs with the evaluator's judgment that the performance of the employee, other than a provisional employee, is unsatisfactory, the superintendent shall place the employee in a probationary status, beginning on or before February 1 and ending May 1. On or before February 1, the employee shall be given written notice of the action of the Superintendent, which notice shall contain the following information:

- a. Specific areas of performance deficiencies;
- b. a suggested specific program for improvement;
- c. a statement indicating the duration of the probationary period and the purpose of the probationary period, which is to give the employee the opportunity to demonstrate improvement; and
- d. a statement indicating area(s) of assistance to be provided by the supervisory staff.

H. Evaluation during the probationary period:

1. At or about the time of delivery of a probationary letter, the evaluator shall hold a conference with the probationary employee to discuss performance deficiencies and the remedial measures to be taken.
 2. During the probationary period, the evaluator shall meet with the probationary employee at least twice monthly to supervise and make a written evaluation of the progress or lack of progress made by the employee. The provisions of this article referring to evaluation procedures will apply to the documentation of evaluation reports during the probationary period.
 3. Beginning with the probationary period, an employee may have an Association representative present during the twice-monthly conferences concerning evaluation reports.
 4. The probationary employee should be removed from probation at any time he/she has demonstrated improvement to the satisfaction of the evaluator in those areas specifically detailed in his/her notice of probation. In this event, a statement will be attached to the probationary letter indicating the employee has successfully met the conditions of probation.
- I. Unless the probationary employee has previously been removed from probation, the evaluator shall submit a written report to the Superintendent at the end of the probationary period, which report shall identify whether the performance of the probationary employee has improved and which shall set forth one (1) of the following recommendations for further action:
1. That the employee has demonstrated sufficient improvement to justify the removal of the probationary status; or
 2. That the employee has demonstrated sufficient improvement to justify the removal of the probationary status if accompanied by a letter identifying areas where further improvement is required; or
 3. That the employee has not demonstrated sufficient improvement and action should be taken to nonrenew the employment contract of the employee.
- J. Following a review of the post-probation report, the Superintendent shall determine which of the alternative courses of action is proper and shall take appropriate action to implement such determination. In the event the Superintendent determines the employee has not demonstrated sufficient improvement, the Superintendent shall make a determination of probable cause for the nonrenewal of the employee's contract and

shall provide written notice thereof to the employee on or before May 15 pursuant to the requirements of RCW 28A. 67.070. In this event, the provisions of RCW 28A.58.455 shall apply.

ARTICLE XL - LAYOFF AND RECALL PROCEDURES

SECTION 1. The District acknowledges the value and necessity of maintaining continuity in its educational program and staff.

SECTION 2. The parties agree the layoff of represented certificated personnel shall result from a significant curtailment of revenue attributable to reduction in enrollment, reduction of funding of categorical and/or state-funded projects and programs, and/or failure of a special levy election, provided that the District shall resubmit any failed M & O levy a second time, but shall have discretion to adjust the amount thereof. Layoff does not refer to decisions to discharge or nonrenew for cause, nor does it refer to the nonrenewal of provisional employees for economic reasons. The term "layoff" as used herein refers to action by the District reducing the number of employees in the District.

SECTION 3. In the event of curtailment of revenue, the following programs will be given consideration for reduction or elimination by the Board of Directors before layoff of certificated employees:

- A. District contracted services except those that are self-supporting.
- B. Sabbatical leave and administrative intern programs.
- C. Bus transportation to the legal limit.
- D. Extended day and cost connected extracurricular activities.

E. Out-of-District travel, paid by the District.

F. Maintenance and capital purchases in areas except those relating to health and safety standards.

G. Nonemployee realted costs except those related to health and safety standards.

SECTION 4. The parties agree that the District retains the right to determine program.

SECTION 5. Upon identification of the District's program and services to be provided each year if staff reduction is required, the procedures set forth in this article shall be implemented. Employees with contracts will not be laid off during any school year. All layoffs will be effective at the start of the following school year. In the event of layoff, the District shall provide written notice to all affected employees on or before May 15 of the school year preceding the year in which the layoff would occur.

SECTION 6. In the event that it is necessary to reduce the number of employees, those employees who will be retained to implement the District's reduced or modified program and those employees who will be laid off from employment will be identified by using the procedures as set forth in this article hereafter.

SECTION 7. By January 1 of each school year, the District will provide each employee and the Association with an initial written statement reflecting the employee's status relative to the layoff and recall criteria. It shall be the responsibility of the employee to notify the District Personnel Office if the employee feels that he/she has not been considered for retention in the appropriate categories and/or assignments. A finalized layoff and recall list shall be provided the Association by March 1 of each year, and this list shall specify the retention and layoff conditions in each category, excluding those conditions relating to the affirmative action considerations identified elsewhere in this Agreement. The procedures to be followed in determining the staff to be retained are described herein:

A. Possession of a valid Washington State Certificate which is required for the assignment under consideration shall be a prerequisite for retention. All certificated employees shall be initially grouped into one (1) of three (3) categories: (1) K-6, (2) 7-12, and (3) Specialists. Within each category above, specific assignment areas will be identified and will be used to determine the personnel to be retained and to allow for the least disruption to the ongoing program.

B. CATEGORIES

1. Category No.1 - K-6 K-6 staff includes all represented certificated staff whose majority assignment is in K-6

schools. All K-6 staff with assignments other than K-6 classroom teaching shall have the opportunity to be considered for retention in the K-6 classroom teacher assignment as well as their current elementary majority assignment dependent upon certification. These assignment areas are: K-6 classroom teacher, special education teacher, Chapter 1 teacher and Chapter 1 counselor, elementary counselor, librarian, art-music-PE teacher, gifted teacher, APPLE teacher, Montessori, Indian education, and others.

2. Category No. 2 - 7-12 7-12 staff includes all represented certificated staff whose current majority assignment is with 7-12 grade students. 7-12 staff will be considered for retention on the basis of past or present teaching assignment and/or academic preparation based on the employee's credentials and shall select a maximum of four (4) assignment areas. These assignment areas include language arts, reading, social studies, mathematics, science, foreign language, physical education, home economics, industrial arts, business education, driver education, instrumental music, vocal music, art, special education, library, counselor, Stay-In-School, REAL, Bridge, Marian Heights, and industrial education, agricultural education, diversified occupations, gifted education, and others.

3. Category No. 3 - Specialists Specialists include all represented certificated personnel other than central/regional personnel whose assignments routinely involve working with students from both the K-6 and 7-12 levels. Specialists include psychologists, regional guidance center counselors, social workers, communication disorder specialists, hearing therapists, Bryant staff, instructional television, physical therapists, occupational therapists, nurses, bilingual teachers, education specialist, special education specialists, Shrine, Sacred Heart, and others. Specialists shall be considered for retention in their area of current majority assignment. In addition, specialists may elect to be considered either for the K-6 classroom teaching assignment or for three (3) assignment areas from the 7-12 category for which they possess necessary certification, endorsement, and meet the experience or academic standards identified in Section C.

C. Each employee will, in accordance with the criteria set forth in paragraph E herein, be considered for retention in the assignment held at the time of the implementation of these procedures. For the purposes of this paragraph, an employee is currently performing in any assignment to which over fifty percent (50%) of such employee's time is devoted. If an employee is not performing over fifty percent (50%) of his/her time in any one (1) assignment, then the assignment in which he/she performs the greatest amount of time will be considered the one in which he/she is currently performing. If the employee is

performing an equal amount of time in two (2) or more assignments, the employee will select, prior to application of this Section, whichever assignment for which (from the two (2) or more assignments of equal service) he/she wants to be considered for retention. Duties under supplemental contracts shall not be considered as part of the performing time under this Section. In selecting assignment areas as provided for in this Section, the employee shall be considered for such additional assignments, as he/she may designate in writing to the Superintendent or designee, provided that in order to qualify for consideration in such assignments the employee must have had a minimum of one (1) full year of professional experience in such assignment for more than fifty percent (50%) of his/her assignment, or must have had academic preparation for this assignment as evidenced by his/her credentials. In addition, the employee must hold the required, valid certificate and/or endorsement for the assignment under consideration.

D. If, in the process of implementing the layoff and recall procedures, it is determined that the employee does not possess the required valid certification or endorsement for an assignment which the employee has selected, the employee will be considered only for the other assignments initially identified by the employee, in which case the employee will be notified. All designations for consideration in assignments other than the one presently held by the employee shall be submitted in writing within five (5) days after any request for such information is made by the Superintendent or designee; except in emergencies, individual situations will be considered. Employees will only be considered for an additional assignment if they do not qualify for retention in the assignment held at the time of the implementation of these procedures.

E. Employees shall be considered for retention in available assignments for which they qualify under paragraph C herein. In the event there are more qualified employees than available assignments in a given category, the following criteria shall be used to determine which employee(s) shall be recommended for retention.

1. The District will attempt to maintain as many full-time positions as practical.

2. Employees on an extended basic contract shall not be obligated to accept any assignment which adversely affects their extended contract. The District shall inform and explain to the employee so affected as to the ramifications of voluntarily accepting the new assignment. Choices among the employees shall be made by Steps A through E as outlined herein.

Step A - Employees in both full and part-time positions will be treated equally for the purposes of lay-off/retention/recall.

Step B - To identify the potentially retained and potentially laid off employees, the following lists shall be prepared:

(1) A list of each category showing current majority assignment. Employees on this list will be ranked as follows:

(a) Employees will be ranked initially according to placement on K-12 salary schedule (including salary increase due to master's or doctor's degree and approved military service). Part-time employees will be indicated on the list but will be ranked according to the full salary equivalent placement on the salary schedule.

(b) If ties exist, employees with prior Washington State teaching experience, which is of the nature eligible for recognition by the District for salary purposes, not reflected on the salary schedule (employees with 12 to 20 years' experience or above 20 years' experience) will be ranked above employees with whom they were previously tied.

(c) If ties remain, employees with more "total seniority" will be ranked ahead of those with less seniority. Seniority is the total "years" of certificated experience of the nature eligible for recognition by the District for salary purposes.

(d) If ties remain, the employee with the most "years" teaching experience within the State of Washington, which is of the nature eligible for recognition by the District for salary purposes (without credit for master's or doctor's), will be ranked above the employee with less experience.

(2) A list in each category showing (a) current assignment and (b) alternative categories. The employees on each list will be ranked as follows:

(a) Employees will be ranked initially according to placement on K-12 salary schedule (including salary increase due to master's or doctor's degree). Part-time employees will be indicated on the list but will be ranked according to the full salary equivalent placement on the salary schedule.

(b) If ties exist, employees with prior Washington State teaching experience, which is of the nature eligible for recognition by the District for salary purposes, not reflected on the

salary schedule (employees with 12 to 20 years' experience or above 20 years' experience) will be ranked above employees with whom they were previously tied.

(c) If ties remain, employees with more "total seniority" will be ranked ahead of those with less seniority. Seniority is the total "years" of certificated experience of the nature eligible for recognition by the District for salary purposes.

(d) If ties remain, the employee with the most "years" teaching experience within the State of Washington, which is of the nature eligible for recognition by the District for salary purposes, will be ranked above the employee with less experience.

(e) In the event of further ties, total credits will apply.

(f) In the event of ties after applying (a) through (e), all employees so affected will participate in drawings by lot to determine exact ranking on each list. If ties exist at any time hereafter within the categories/assignments, the rankings herein will be used to determine the senior employees. The Association and all employees affected shall be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place which will allow affected employees and the Association to be in attendance.

Step C - Using the lists prepared in Step B.1, and the Board adopted staffing levels, the District shall determine the employees to be retained in each category/assignment. If ties exist, the list prepared pursuant to Step B.2 will be used to break the ties.

Step D - All employees not initially retained in Step C will be placed in a tentative RIF pool. Employees in the tentative RIF pool will be ranked according to criteria used in preparing the lists in Step B.1. Each employee, in order of ranking, will be checked for placement beginning with his/her first listed alternative. If he/she ranks higher than the last person listed in the list prepared in Step B.1 (using No. 2 to break ties), he/she will be placed on the list of employees tentatively retained for the category/assignment, and the last employee on the list will be placed in the tentative RIF pool. If ties exist at the top of the tentative RIF pool, all categories/assignments listed by the tied employees will be identified. Starting with category/assignment K-6 and progressing sequentially

through all categories/assignments, all tied employees who have listed such category/assignment will be considered for retention therein. This process will be continued until each employee in the RIF pool is lower in ranking (per criteria identified in Step B) than the lowest ranked individual on the tentatively retained employee list for which the individual has requested consideration (including the employee's current assignment).

SECTION 8. Recommendations for certificated staff reductions developed in accordance with these procedures shall be presented to the Board prior to May 15 (or such other date as may be subsequently established by law for certificated contract renewal) for further action by the Board in accordance with applicable law.

SECTION 9. All certificated personnel placed on layoff status in accordance with these procedures shall be terminated from employment and placed in an employment pool for possible reemployment. Employment pool personnel will be given first opportunity to fill vacancies within the categories/assignments identified in paragraph B for which they are qualified. If more than one (1) such employee is qualified for an open position, the criteria set forth in paragraph C shall be applied to determine who shall be offered such position.

SECTION 10. A laid-off employee will be placed in the employment pool for an 18-month period beginning with the date service is completed. It will be the responsibility of the laid-off employee to notify the Personnel Office in writing via certified mail or personal delivery by December 1 of the year following the receipt of the layoff notice that he/she wishes to remain in the employment pool.

SECTION 11. When a vacancy occurs for which a person(s) in the employment pool qualifies, notification from the District to such individual will be by certified mail or by personal delivery. Such individual will have ten (10) calendar days from the receipt of the written offer to accept the position. If an employee rejects a position for which he/she is certificated to fill or does not respond, the employee shall be removed from the employment pool. It shall be the responsibility of each employee to notify the District of any changes of address. The employee's address as it appears on the District's records shall be conclusive when used in connection with layoffs, recall, or other notice to the employee.

SECTION 12. In the event that recall becomes possible, the District shall first recall from the employment pool all employees qualified as per paragraph B for the available positions before the District employs any additional personnel to fill assignments. Employees on layoff shall be

recalled in reverse order of layoff within the categories/assignments for which qualified.

SECTION 13. The District will utilize employment pool personnel as substitutes on a first priority basis.

SECTION 14. The District will give assistance to personnel in the employment pool who wish to maintain insurance programs by the employee's paying the premiums directly to the insurance carrier.

SECTION 15. This Article does not apply to substitutes.

EMERGENCY ACTION

In the event of legal or other challenges to the above procedures which prevent completion this provision prior to May 15, the District shall nevertheless, in order to meet the statutory requirements, notify those employees it deems necessary that they will be placed on layoff status and/or adversely affected in contract as defined by applicable law provided that such notice shall be so worded as to incorporate the terms "placement on layoff status" or "as dictated by applicable law," provided, however, that as soon as the provisions have been completed, the District will amend the layoff list as necessary and immediately recall such employees as may be appropriate utilizing procedures outlined previously in this article.

ARTICLE XLI - DISCIPLINARY ACTION FOR CAUSE

SECTION 1. No employee shall be disciplined without cause. The principles of progressive discipline shall be applied. Progressive discipline may include, as appropriate, verbal warning, written warning, and written reprimand. Disciplinary action taken against an employee shall be appropriate to the behavior which precipitated the disciplinary action.

SECTION 2. After a supervisor concludes that actions of an employee may be cause for discipline, he/she shall notify the employee of the nature of the concern which has come to his/her attention and allow the employee an opportunity to meet with the supervisor and respond thereto. An employee or group of employees shall have the right to be accompanied by a representative of the Association during any such meeting with the employee(s).

SECTION 3. An employee shall have the right to attach a statement to any written record placed in his/her file as a result of disciplinary action and shall have access to the grievance procedure.

SECTION 2 - PAYMENT ERRORS

An employee receiving an overpayment or underpayment has an obligation to notify the Payroll Office. Errors made in payment will be corrected as promptly as possible, with due consideration given to avoiding employee hardships. Errors will be considered for current contract year only.

SECTION 3 - EARLY PAYMENT

An employee who is leaving the District shall be paid compensation for which the employee is eligible without undue delay. The deferred payroll system makes it necessary for an employee to furnish the Personnel Office with a written resignation no later than May 15 in order to receive full payment in June.

SECTION 4 - PAYROLL WARRANT INFORMATION

Payroll warrants will provide a specific breakdown of all deductions made from the gross salary amount; the current accumulated sick, injury, and emergency leave, and the amount of sick, injury, and emergency leave used during the previous pay period.

SECTION 2 - For school year 1986-87 the process will be applied as follows:

- A. The salary schedule will be adjusted in the amount or percentage as allowed in the state appropriation act.
- B. Educational and experience increments will be implemented effective September 1, 1986.
- C. Individual salaries shall be adjusted to a minimum of \$16,500 per year, improved by three percent (3%).

D. Upon completion of the District #81/SPI salary benefit reporting process, salaries will be appropriately adjusted to bring the District to the compliance level.

SECTION 3 - For school years 1987-88 and 1988-89 the process will be applied as follows:

A. The salary schedule will be adusted per the amount or percentage as allowed in the state appropriation act.

B. Educational and experience increments will be implemented to the extent of funding that results from group staff movement on LEAP document #1.

C. Upon completion of the District #81/SPI salary benefit reporting process, salaries will be appropriately adjusted to bring the District to the compliance level.

SECTION 4 - In the event that any provision of the compensation improvement combination as stated herein, in the opinion of the Office of the Superintendent of Public Instruction or other agency with governing jurisdiction, places the District in violation on any compliance regulation, the District may take steps as necessary to adjust the compensation improvement to the extent that compliance is achieved, and shall consult with and supply documentation to the Association.

SECTION 5 - Either party may reopen negotiations after the effective date of any such action, provided that fifteen (15) working days' notice of intent to reopen negotiations must be given in writing to the other party. The parties agree that the notice shall contain a reference to the action upon which the request to negotiate is based.

ARTICLE XLIV - SALARY SCHEDULE PROVISIONS

SECTION 1 - GENERAL PROVISIONS

A. Training Credits

1. Education credits allowable for salary determination must be obtained from accredited institutions by direct instruction, not by correspondence. School District curriculum work will be allowable for salary increases if approved by the District. Evaluation of such work shall be on the basis of similar work in college seminar courses.

2. Credits allowed to date for salary purposes will be maintained provided that credits were not initially allowed because of an error in calculation.

3. Credits for new employees will be reviewed by the Personnel Director for application to the salary schedule.

4. After September 6, 1972, additional credits allowable on the salary schedule must have the approval of the Personnel Director, subject to appeal through the grievance procedure.

5. After September 6, 1972, a Bachelor's Degree and an initial teaching certificate are required of each new employee for the first column of the salary schedule with an additional approved fifteen (15) quarter hours or equivalent beyond the Bachelor's Degree and initial teaching certificate for each training step increment.

6. At the time of employment, credits for placement on the salary schedule will be allowed when a specific college course of study required to obtain Washington State ESA or other Washington State Initial Certification specifies that additional credits must be earned beyond the issuance of a B.A./B.S. degree. (These credits must be reflective of the minimum number of credits required to obtain such certification.) In order to move on the salary schedule for 1983-84, it shall be the responsibility of current employees affected by this provision to present the District with adequate documentation prior to October 1, 1983, as to the minimum course requirements leading to certification.

B. Military experience is accepted up to a maximum of two (2) years in lieu of teaching experience. Credit cannot be given on the salary schedule for experience in military service if academic credit is granted for such military service.

C. Experience credit shall be credited in units of one (1) year, not in fractions thereof. To be eligible for the experience credit an individual must teach a semester or longer in the same assignment. Part-time employees must accumulate service equivalent to .5 FTE before advancing to the next experience step. Such personnel will accumulate partial experience according to the nearest one-tenth of a year for which an employee has worked or received paid leave. However, no more than 1.0 school year of experience may be counted for any 12-month period. The change in method of calculating experience (from 1.0 to .5) will be applicable only to experience earned after September 1, 1986.

D. Education credits reported by presentation of an official transcript to the Personnel Department will be accepted through September 30. No credits reported after September 30 will count toward the current year's salary. Exceptions will only be made when clear documentation shows that the reason for the lack of an official transcript being presented to the District by September 30 rests solely upon the registrars office of the university. Employees are encouraged to report these credits at the earliest possible date.

E. Nurses will receive one hundred percent (100%) of the basic salary schedule.

F. In instances where salary increases are to be effective as of September 1st, the salaries of those employees whose normal responsibilities begin prior to September 1st shall be adjusted as of the date when responsibilities begin.

SECTION 2 - BUILDING LEVEL SUPPORT STAFF SALARY SCHEDULE

The percentages listed below shall be applied to the basic salary schedule in the computation of salaries for each employee assigned to the respective position. An explanation of special provisions is set below: (Increments stated below are automatic on a year-to-year basis until a maximum ratio is achieved.)

B. Determination of intitial ratio differential shall be made by the Superintendent of Schools.

C. All ratios are determined for a standard work year of 181 days, the minimum work year for certificated personnel. Compensation for service contracted or specifically authorized beyond this standard year shall be determined as follows:

Compensation = Basic Schedule X $\frac{\text{Ratio X Days Worked}}{181}$ + Amount
for Advanced Degree = Amount for Longevity if provided.

D. The Superintendent of Schools is authorized to adjust the work year in individual cases requiring additional service beyond regular contractual obligations with the consent of the employee unless these sservices cannot be provided by any other employee.

E. A person moving from one (1) position to another with a higher potential maximum ratio will be placed at the ratio step which provides a salary equal to or higher than the one (1) the individual would have received the following year had that person not moved to a different position, then will progress on the salary schedule from that point.

F. No person in the same position as in previous year will receive more than a two percent (2%) increment for the next year.

G. Those persons who were beyond the percentage of entitlement in the schedule in 1978-79 will be frozen at the 1978-79 percentage.

SECTION 2. Eligible Personnel are those employees permanently assigned four (4) or more hours per day.

SECTION 3. District-Sponsored benefits include:

Group I - Mandatory benefits.

Group term life insurance at a group single rate.
Dental insurance at a composite rate.
Vision insurance at a composite rate.
Long term disability insurance at a composite rate.

SECTION 4. The District fringe benefits shall be \$179/FTE/month for eligible personnel.

SECTION 5. The SEA and the District agree to pool the fringe benefits for all bargaining unit employees via the method described below:

- T.P. = Total Pool is the number of FTE in bargaining unit x \$179/month x 12 months
- A.U. = Amount Utilized is the actual amount used by employees for eligible benefits with the District contribution level at \$179 /month/FTE.
- A.A. = Amount Available is the total pool minus the amount utilized. (A.A. = T.P. - A.U.)

- B.C. = Benefit Cost is the total cost for employee benefits.

- A.C. = Additional Contribution is the proration factor applied to the individual's benefit balance. (A.C. = P.F. x B.B.)

The additional contribution (A.C.) shall be implemented effective with the November pay period. The A.C. will remain in effect for 12 months. An adjustment will be applied each November to the benefit level to adjust the A.C. to the funds available in the pool.

SECTION 6. Any employee benefit costs in excess of the pooled District contribution shall be paid by the employee via payroll deduction. The employee may at his/her option shelter such cost under the IRS Code Section 125. The employee must certify participation in the IRS plan on the proper District form during the open period September 1 to October 10.

SECTION 7. Should the average District contribution level exceed that amount authorized as the compliance level as determined by the SPI, the excess amount will be deducted from the allowable salary funds for the bargaining unit.

SECTION 8. In the event any provisions of the above benefit program violate any law or regulation of the Internal Revenue Service, the Social Security Department, the Department of Retirement, the Office of the State Examiner's Office, the District and the Association will meet and determine a mutually approved alternative program to eliminate the violation. The parties agree that any personal tax liabilities which occur from participation in the benefit programs provided herein shall remain solely with the subscribing individual(s).

ARTICLE XLIX - EMPLOYEE ATTENDANCE INCENTIVE PROGRAM

SECTION 1. This provision shall be consistent with RCW 28A.58 and shall be administered in accordance with state statute.

A. Twelve days may be accumulated per year to a maximum of 180 days.

B. After 60 days have been accrued, an employee may exercise the option to receive remuneration for unused illness or injury leave accumulated in the previous year, at the rate equal to one day for each four full days accrued in excess of 60 days.

C. Days for which remuneration has been received shall be deducted from the accrued leave at the rate of four days for every one day's monetary compensation.

D. At the time of separation from the Spokane School District employment due to retirement or death, remuneration shall be granted at a rate equal to one day's current compensation for each four days of accrued illness and injury leave. The maximum number of days which can be remunerated is 25 percent of 180 days (45 days).

SECTION 2. It is agreed that the provisions enumerated above shall be in effect upon the effective date of this law, and shall continue in force until August 31, 1989, unless RCW 28A.58 is changed, or the law is found to be illegal or unconstitutional.

ARTICLE LI - GRIEVANCE PROCEDURE

SECTION 1 - DEFINITIONS

A. A grievance is defined as an alleged violation of a specific term of this Agreement or a dispute regarding an interpretation of the Agreement.

B. A grievant shall mean an individual employee or the Association.

SECTION 2 - TIME LIMITS

A. Grievances shall be processed as rapidly as possible; the number of days indicated at each step shall be considered as maximum, and every effort shall be made to expedite the process, except that any grievance shall be processed during the period in which the parties involved are available. A grievant must file a grievance within twenty (20) days of the alleged act or within twenty (20) days of the date of knowledge of the act, whichever is later.

B. To the extent that time limits are expressed in days, days shall consist of school days except that after the end of the regular school year they shall consist of all business days so that the grievance may be adjusted as soon as possible.

C. Failure of either party to comply with the time limits set forth herein will serve to declare the grievance as settled based upon the last request made or last answer provided, and no further actions shall be taken.

D. The time limits as specified herein may be extended by mutual concurrence of the parties; provided however, no request for extension of time limits shall be made by either party after the applicable time limits in any of the grievance steps have already expired.

SECTION 3 - NO REPRISAL

There shall be no reprisals of any kind against any party in interest for reasons of participation in the grievance procedure.

SECTION 4 - SUBMISSION OF GRIEVANCES

A. Each grievance will be submitted separately except in cases wherein both the District and the Association mutually agree to have more than one (1) grievance handled in one (1) hearing.

B. If a grievance affects a group of employees or the Association, the Association may initiate and submit a Class

Action or Association grievance in writing to the Superintendent directly, signed by the President of the Association, and the processing of such grievance shall be commenced at Step Two.

C. If an employee is aggrieved by an action or nonaction of an administrator above the building principal or immediate supervisor, Step One of the procedure shall begin with the responsible administrator.

SECTION 5 - SELECTION OF THE STANDING ARBITER

A. The parties to this Agreement agree to select a Standing Arbitrator to hear all grievances which have not been resolved by the grievance procedure. The Standing Arbitrator shall be selected by mutual agreement. If a unanimous selection is not possible, the two sides will jointly request a list of five (5) names from the Public Employment Relations Commission. A coin toss shall determine the order of selection. Each party will alternately cross off one (1) name until only one (1) name remains. This person shall then be designated as the Standing Arbitrator to arbitrate unresolved grievances. This selection process shall be completed within thirty (30) days of the execution of this Agreement.

B. It is mutually agreed that once selected, a Standing Arbitrator will serve until formally replaced. If either party wishes to change the arbitrator, a written Notice of Change shall be submitted to the other party. Another arbitrator shall then be selected as in the above procedure for all grievances filed after the Notice of Change has been submitted to the other party.

C. Grievances submitted by the Association will be subject to the arbitration process herein provided.

SECTION 6 - GRIEVANCE PROCESSING STEPS

A. Step One:

1. Informal discussion--An employee with an individual or group grievance shall discuss it first with his/her building principal or immediate supervisor. This informal discussion will not be bypassed unless it is an Association or class action grievance. Only these two (2) individuals shall attend such an informal meeting or discussion, unless mutually agreed otherwise. If mutual agreement cannot be reached, the employee may bypass the informal meeting and mandatory time limits begin. Every effort shall be made to resolve the grievance at this level in an informal manner. An employee requesting such a meeting shall identify the subject as a grievance matter, and mandatory time limits hereinafter provided shall officially begin immediately after the employee discusses the grievance with his/her supervisor.

2. Formal submission--In the event the grievant is not satisfied with the disposition of the grievance through informal discussion, he/she shall reduce the grievance to writing indicating the Article, Section, and the specific term(s) violated or misinterpreted, the relief sought, and within five (5) days from the date of the informal discussion with the supervisor, present the signed grievance to his/her building principal or immediate central staff supervisor, who in turn shall within five (5) days provide the grievant with a written disposition of the grievance.

B Step Two In the event that the grievant is not satisfied with the disposition of the grievance at Step One, he/she shall within five (5) days refer the grievance in writing to the Superintendent of Schools. The Superintendent or designee shall meet with the grievant and shall provide the grievant with a written disposition of the grievance within five (5) days of such meeting.

C. Step Three Conciliation. Grievances which are unresolved at Step Two may, by mutual agreement, be discussed at a meeting between the parties to the dispute during a Labor/Management meeting as provided in Article VII of this agreement provided the request is made within five (5) days following termination of Step Two. All pertinent facts and information available will be reviewed in an effort to resolve the grievance through conciliation.

D. The parties to this agreement agree to submit to arbitration any grievance which has not been resolved through the use of the above enumerated grievance steps and procedures, provided it is submitted within ten (10) days following its termination in the grievance procedure. The Association will notify the other party in writing that the matter is to be submitted. The arbiter shall hear the case submitted within ten (10) days after its initial presentation. The arbiter shall follow the expedited rules of the American Arbitration Association and shall have no authority to extend, alter, or modify this agreement or its terms. The arbiter shall limit his/her findings and decision solely to specific terms of this Agreement and application of such terms herein set forth. The arbiter shall have no power to extend the Agreement in the areas of wages, fringe benefits, or other items of cost. The arbiter shall be without power to award punitive damages. The arbiter shall make a written report of his/her findings of fact and decision including the basis in law, if any, for such decision, to the District, the Association, and the grievant within ten(10) days after the final hearing is concluded. The arbiter's decision shall bind both of the parties. Both parties retain their usual right to seek legal relief regarding any arbiter's decision.

SECTION 7 - COSTS

The District and the Association shall each bear its own expenses involved in the processing of a grievance. The two (2) parties shall share equally the cost of the arbiter.

SECTION 8 - LIMITATIONS ON GRIEVANCES

A. The grievance procedure shall not apply to assignment to administrative or supervisory positions or transfer of administrative or supervisory employees to subordinate positions.

B. Nonrenewal of provisional employees and matters relating to evaluation and placement of employees on probation shall be grievable only through Step Three of the grievance procedure. Such grievances shall pertain solely to alleged procedural discrepancies. Following Step Three of the grievance procedure, nonrenewal of provisional employees, matters relating to evaluation, placement of employees on probation, and nonrenewal or discharge matters shall be governed and controlled by the rights, procedures, and remedies afforded in RCW 28A.58.455.

C. Grievances relating to employee workload shall be grievable only through Step Three of the grievance procedure contained herein.

D. The parties agree not to use the concept of a continuing grievance.

ARTICLE LII - EMBODIMENT

The agreement expressed herein constitutes the entire agreement between the parties except as this Agreement may be amended through the Supplemental Agreement provision contained in this Agreement, and no oral statement shall add to or supersede any of its provisions.

ARTICLE LIII - SUPPLEMENTAL AGREEMENT

A. This Agreement may be amended through Supplemental Agreements. The parties agree that the Supplemental Agreement clause shall be used for the purpose of maintenance of contract matters as stipulated by the Preamble/Purpose of this Agreement.

B. Salaries, fringe benefits, and other significant cost items, shall not be negotiated under this provision. Supplemental Agreements may be completed through negotiations between the two parties at any time during the life of the Agreement. Should either party desire to negotiate a matter of this kind, it shall notify the other party in writing of its desire to negotiate and such negotiation will commence within fifteen (15) working days of the request.

C. Supplemental Agreements shall immediately upon ratification become a part of the larger Agreement and subject to all of its provisions.

ARTICLE LIV - SEVERABILITY

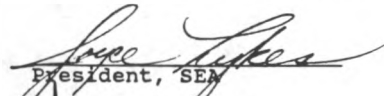

If any provision of this Agreement or of the application of such provision should be found contrary to law or declared invalid by a tribunal of competent jurisdiction, the remaining parts or portions of this Agreement shall remain in full force and effect. The parties agree that the courts and PERC shall be considered tribunals of competent jurisdiction in such matters. Should the state auditor and/or attorney general issue an opinion that a contract provision or practice does not comply with law, the parties agree that either side has the right to seek legal determination of such opinion and if declared invalid, the invalid portion will be stricken from the Agreement upon receipt of such decision.

ARTICLE LV - DURATION

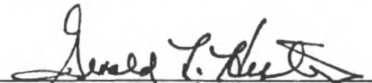

This Agreement shall remain in full force and effect from date of ratification through August 31, 1989.

The parties are willing to negotiate salary and benefits if and when the state changes the rules, regulations or laws regarding compensation.

During the third year of this agreement (1988-89) each party has the option of selecting two specific items to bargain. These items shall be precise and specific in scope and shall not cover broad areas. For example Leaves is a broad area; President's leave is specific. The selection of items is not restricted to the items within the Collective Bargaining Agreement.

It is also agreed that employment under this contract shall be subject to the statutes governing the public schools of the State of Washington and to all policies, rules, regulations, and procedures of the District and State Board of Education, and to any collective bargaining agreement then in effect.

The duties of this contract shall begin on or after _____, 19____, as assigned. The curricular position of the Employee shall be _____ together with extracurricular activities and miscellaneous duties as set forth below, if any. It is understood that the Employee shall be subject to assignment or reassignment of duties by the Superintendent of Schools of the District. The annual compensation thereafter shall be _____

SUBJECT TO ANY ATTACHED RIDER. It is understood that the annual compensation shall be consistent with the salary schedules so established by the District and is to be paid as follows:

A. One-twelfth of the total annual compensation shall be paid on the last working day of the payroll office each month.

B. The final installment shall be in such amount as will, when added to the amount previously received, be equal to the part of the total annual compensation which is represented by a fraction whose numerator is the number of days served, including days for which sick leave or other allowance has been granted, and whose denominator is the number of days of service as specified above.

C. If service is rendered for less than a full contract year, the Employee shall receive a total annual compensation which bears the same ratio to the total compensation specified herein as the number of days actually served by the Employee bears to the total number of actual contract days specified therein: Provided, that if said Employee resigns or vacates his or her

position or assignments prior to the close of the school term as specified herein, without the consent of said District, no compensation shall be paid for the time not served, and the Employee shall forfeit as liquidated damages one twenty-fourth (1/24) of the total annual compensation specified herein.

D. Each regular full-time Employee shall be allowed a credit of twelve days each school year during which no deduction shall be made for absences on account of personal illness. Provided, however, that any pay for such absences of five days or more in any one year be supported by a doctor's certificate or approved by the school medical director; and provided further, that any unused sick allowance in any year be cumulative.

E. Deduction for absences for which pay is not allowed shall be computed by multiplying the total annual compensation by a fraction whose numerator shall be the number of such days absent, and whose denominator shall be the total number of days of service specified above.

F. Deductions shall be made in full from the salary for the month or months in which the absence occurs, or in succeeding months if necessary to make up the total amount to be deducted.

This contract shall not be effective unless and until all of the following conditions shall have occurred:

(a) The Employee shall have filed in the personnel office a certificate of health, as required by the Washington State Department of Health.

(b) An appropriate valid Washington Certificate effective for the entire period of this contract shall have been registered by the Employee with the personnel office of Spokane School District No. 81.

(c) The Employee shall have signed and dated this contract and returned it to the District within fourteen days of the date of this contract.

(d) This contract shall have been signed by the Board of Directors of the District or at their order.

No employee shall be employed or continued in employment on or after July 1 of any year following his or her 70th birthday, and any existing contract for such employment, including this contract, becomes void on such July 1. Employees beyond retirement age may be recalled to duty by written authority of the Board of Directors.

In the event that the Employee refuses or is unable to perform the duties assigned under this agreement, the District may, at its option, treat such refusal or inability as a total breach of this agreement.

The Employee, by signing this Agreement, and the District, by signing this Agreement, at the order of the Board of Directors, agree to its terms and conditions. IN WITNESS WHEREOF, we have hereunto subscribed our names on the dates indicated below.
